

A Message from The Parish Finance Council

Dear Brothers and Sisters,

Consistent with the best practice of making financial matters of the parish transparent, the Finance Council has discussed at the last two meetings possible new ways of communicating our weekly collection budget and income to our parishioners. We have decided on a new format of reporting the weekly collection result with both the actual and the budget amounts. The comparison above shows that our collections were very light during the summer (July 1 begins our fiscal year).

At a minimum, please consider giving one hour's worth of your salary as your weekly offering to St. Therese Church. Some of our parishioners are already doing more than that, and we are grateful to you. If you are retired or unemployed, you can just do your best. We need everyone to make a concerted effort and to step up to help cover the operating cost of our church.

May God bless you abundantly for your generosity. Thank you!
